About: I'm a diligent developer with a passionate mind. Alongside my tech and digital chops, my expertise in high profile client-facing communication, outreach, business development and target audience identification makes me a catch-all creative with extra chutzpah.

Skills: HTML5/CSS3, Javascript, Ruby, WordPress, BLOX, Drupal, Microsoft Office, SaaS, LESS, Angular, React, Bcrypt, Adobe Creative Suite, InVision, Balsamiq, Sketch, Blox, JQuery, APIs, PHP, Sinatra, Jira, Google Analytics, XML Mapping, UAT Testing.

Work Experience:

2018 Syneos Health/GSW • Developer

Project-based - Currently a contractor for development at GSW, a Syneos Health advertising agency working on their client side websites. Using Ruby on Rails to develop a [patient](#) side website and HTML/CSS for their email marketing materials.

2018 Wondersauce • Junior Developer

Junior front-end developer at digital advertising agency in Columbus, Ohio. Using HTML, CSS, React, Javascript, PHP, Ruby on Rails, Sketch, Zeppelin, Jira, Adobe Creative Suite and more. [Client list](#) and features implemented: online ordering checkout flow, creating SVGs under ADA regulations for clients, developing within Wordpress and CMS friendly interfaces and more.

2018 Nadex • Junior Developer

Project-based - Web developer using Drupal, Javascript, HTML/CSS, Node.js, Unbounce, Trello and ExactTarget/SalesForce software. Created responsive web design and analytical features like RSS feeds, tracking, A/B testing landing pages and internal generators for staff like task management software, email signatures, email/calendar tagging systems.

2016 AL Media • Production Assistant/Digital Media Assistant

Participated in technical organization and created functionality behind the scenes for producers. Assisted in creating campaign content for over 40 politicians (clients included Barack Obama, Hillary Clinton and the Democratic National Party). Duties included managing post-production account management and being a liaison between producers, clients and staff.

2013 Freelance • Music Journalist/Public Relations

Freelance writer for Substream Magazine, Alternative Press Magazine, VICE - NOISEY, Ruby Hornet, Chicago Music, New Noise Magazine and Editor-in-Chief at Highlight Magazine. Created engaging content for target audience, operated in outreach research, press management and client-facing communication. Intern at Alternative Press from May 2013 - August 2013.
